

August 2020 NorthStar Training Classes on Zoom

If you have not taken the NorthStar Course yet, sign up today. If you took the NorthStar course in the past, there are many reasons to retake it with Me. The NorthStar Project is a working tool to make every new Brother a lifetime active worker in the quarries of Freemasonry, and an overall Masonic Education program for each Lodge. The updated NorthStar Course will cover:

- New Membership engagement and building lodge membership
- Masonic Awareness in Local Communities through Social Media
- The Seven Candidate Selection Process steps
- Success Coaching for New Brothers
- Masonic Courses update, Education, and Programming online
- New Grand Lodge Brochures and Paths Forward
- Using the NorthStar Portal to engage, track, and manage lodge inquiries.
